OUR MISSION

Preservation New Jersey (PNJ) has taken full responsibility for the historic 1867 Ewing Presbyterian Church Sanctuary on Scotch Road in Ewing Township, now known as "The 1867 Sanctuary at Ewing."

PNJ, the only state-wide, member-supported preservation advocacy, assistance and education organization in the state, will oversee the necessary repair, rehabilitation and reuse of the 1867 Sanctuary, which was included in our "10 Most Endangered Historic Sites in NJ" list in 2009. Our mission is to facilitate sustainable adaptive public reuse of this historic structure with its protection, preservation and restoration.

We were pleased to dedicate a portion of a \$50,000 Historic Site Management Grant from the NJ Historic Trust to fund an adaptive use study to find new uses for the structure and to fund subsequent plans and specifications for the building's restoration. Artists, musicians and preservationists all agreed that the best use of the facility would be as a mid-sized arts venue.

Thus, once sufficient funds are raised and the 1867 Sanctuary at Ewing is safely repaired and brought up to code, we envision it to be available to the public for a variety of uses, including ecumenical worship, weddings, funerals, concerts, speakers, and other such public activities.

**COME HELP US
MAKE THE VISION A REALITY!**

YOUR HELP IS NEEDED!

PNJ's leadership in this restoration effort is unprecedented, but it's just the start! We invite those who wish to see this building restored to **partner** with us, working and raising funds towards the repair and restoration of this iconic and stately structure, so that it may be opened and used once again by the community.

Volunteer: Your time and expertise are invaluable to us for fund raising events, mailings and more.

Donate: The most recent estimate of the cost to stabilize and repair the building is around \$350,000, with an additional \$400,000 or more required to render the building compliant and ready for community use. This must be raised, as PNJ does **NOT** have such funds.
